**Description :** These new in-ground series of step lights could augment your design with four different Grade 316 Stainless Steel grills. The body is construction from low copper aluminum dies cast with all stainless steel fasteners. Silicon gasket for weather tight application. ETL listed for wet location. 1/4" frosty glass diffuser. These series of step lights are rated IP65. Suitable for in-ground or on the wall application where low level lighting is required. Units could be specified with G4 low voltage or LED lamping option. All LED circuits are provided with their integral 110 Volt or 277 Volt drivers. Units are provided with polymer rough-in box for concrete pour application projects. Etl listed for wet location.

**SPECIFICATION:**

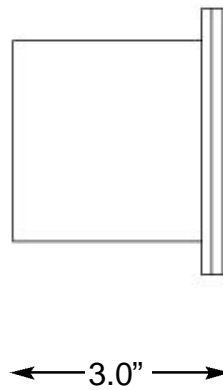

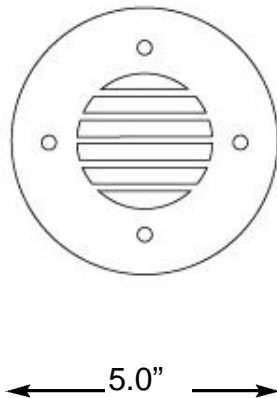

**Housing :** Low copper aluminum die cast.  
Vandal resistance stainless steel screws.  
Silicon gasketed for weather tight operation.

**Diffuser :** Frosty glass.

**Electrical :** Voltage : 120 / 277  
Lamp: Incandescent G4, LED.  
Socket : Mini Bi-pin  
Ballast : Class P, Electronic Ballast for 120/12 conversion.

**Installation:** Unit comes with its own Polymer Rough-In box for dry wall or concrete pour installation. Opening Size : 4 1/8"x 4" (Diameter x Depth)

**DIMENSIONS:**
