## PATH LIGHTS

### WW200

The Lumux Wall Wash (“WW”) series is a family of precision engineered, surface mounted LED architectural fixtures that are designed for durability and performance. Constructed from the highest quality materials and components, the WW series is versatile general-purpose luminaire for a variety of applications, such as wall washing, path lighting, landscape lighting, or façade lighting. A die cast aluminum body is fastened with vandal resistant, stainless-steel screws, and offers a frosted glass diffuser to reduce glare and enhance visual comfort. The WW series is energy efficient and durable for long-lasting exterior lighting applications.

**Housing:** Heavy-duty construction of corrosion resistant, low copper aluminum die cast. All hardware are vandal resistant, stainless-steel screws.

**Lens:** 1/8” thick shatter proof frosted glass diffuser

**Mounting:** Surface mounted

**Installation:** Unit is surface mounted via two holes provided at the bottom of the unit 2.75” separated.

**Finish:** Zinc polyester powder coat finish in black, white, silver, bronze, or any custom RAL color. Consult factory for marine grade or anti-microbial finish.

**Driver:** Constant current and universal input voltage 120/277V, starting temperature rated at -20°F.

**Gasket:** Closed cell silicon foam gasket that seals out moisture, dust, and insects for weather tight operation.

**Protection Class:** IP65, ETL Listed for wet locations

**Wattage:** 3W

**Color Temperature:** 2700K / 3000K / 3500K / 4000K
